Driving Directions

From Tampa International Airport – Travel south on I-275 over the Howard Frankland Bridge and exit south on Roosevelt Boulevard (686). Travel approximately 1.5 miles southeast to Gandy Boulevard (694) and turn east (left). Travel approximately one mile and turn south (right) on San Martin Boulevard. Drive approximately 1.5 miles and turn east (left) on Weedon Drive N.E., which will take you directly to the entrance of the Preserve.

From south St. Petersburg – Travel north on 4th Street South to Gandy Boulevard (694) and turn east. (Please note: North of Central Avenue 4th Street South becomes 4th Street North). Travel approximately one mile and turn south (right) on San Martin Boulevard. Drive approximately 1.5 miles and turn east (left) on Weedon Drive N.E., which will take you directly to the entrance of the Preserve.

From North Pinellas – Follow US-19 south and exit east (left) on Gandy Boulevard (694). Travel approximately 4.25 miles and turn south (right) on San Martin Boulevard. Drive approximately 1.5 miles and turn east (left) on Weedon Drive N.E., which will take you directly to the entrance of the Preserve.

From Sarasota County and other southern counties – Follow I-275 north over the Sunshine Skyway. Exit south on Roosevelt Boulevard (686) and travel southeast approximately 1.5 miles to Gandy Boulevard (694). Turn east (left) and travel approximately 1 mile and turn south (right) on San Martin Boulevard. Drive approximately 1.5 miles and turn east (left) on Weedon Drive N.E., which will take you directly to the entrance of the Preserve.

Once within in the Preserve, Weedon Drive N.E. follows the shoreline of Riviera Bay and dead ends at the fishing pier. The Weedon Island Preserve Cultural and Natural History Center is the third turn to the left after you pass through the Preserve entrance gate. Public restrooms are available at both the Center and the pier.
